

## Seeking Participants with Fibromyalgia Who Have Experienced Pregnancy and Birth in the Last 12 Months

Researchers at the University of Wisconsin-Madison are seeking insight into social support received during pregnancy with fibromyalgia.

### Participant Criteria:

- Be over the age of 18
- Identify as having fibromyalgia prior to most recent pregnancy
- Have experienced pregnancy and birth within the last 12 months

### Participation Involves:

- Completing screening questionnaire of demographic information
- If you qualify, you will be invited for a 45-60-minute interview that takes place over the phone or Zoom (camera optional).

Those who are eligible and complete the interview will be compensated with a \$50 Amazon Gift card.

If you are interested in participating, please fill out the screening questionnaire found using the following [link here](#) or scan the QR code below:
